

# Shelti Instructions to Change Vend Prices

## ESD- VERTICAL -8 COIN CHUTE

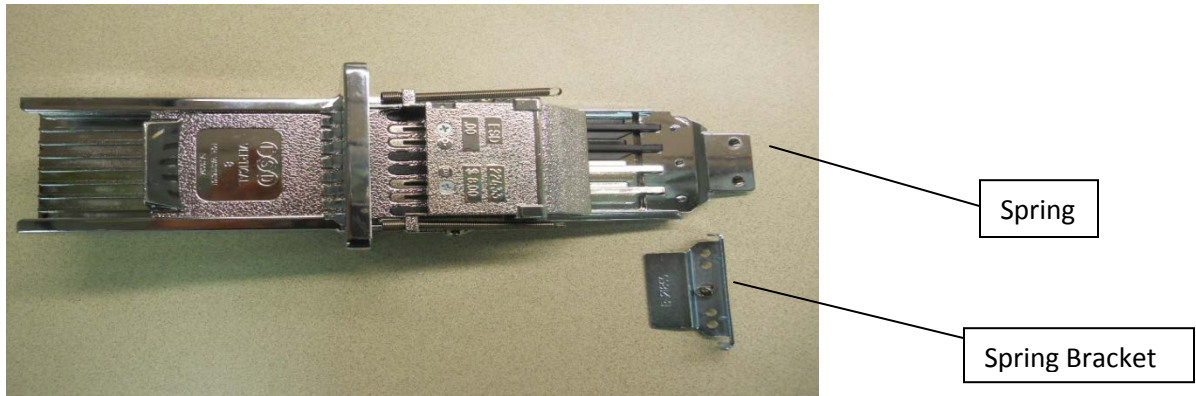

Tools Required:

Phillips Screw Driver

Please read fully

Before beginning

**Step 1:** Remove slide return springs and spring bracket.

**Step 2:** Remove the handle from the body to expose the extra quarter shots and plugs.

**Step 3:** Turn coin chute upside down and install or remove required number of plugs to change vent price.

**Step 4:** Return extra plugs to handle and slide the handle back into the body.

**Step 5:** Reassemble the spring bracket and reattach the return springs.
